

Brilliant Bayete!

TO ALL THE STAFF AT BAYETE ZULU

What a treat! On behalf of all the Clifton Grade 3 boys, the teachers and their parents, we want to thank you for a memorable outing to Bayete Zulu.

For many boys this was their first Game Lodge outing and they loved every minute of it. The afternoon game drive was both educational and exciting and we were lucky to see such a variety of animals. Hats off to the game rangers who handled our boys so well and never missed an opportunity to share their knowledge.

One of the highlights for all of us was the elephant interaction. Few people have the opportunity to get 'up close and personal' with elephant.

The presentation was informative and being able to feed these magnificent beasts was a once-in-a-lifetime experience.

We chatted to the boys about their favourite part of the visit and here is what some of them had to say.

"My favourite part was when Rambo the elephant kicked the soccer ball!"
(Christian Booyens).

"Stopping for our drinks break right near the rhino"
(Stefano Vosloo)

Thank you once again for a super experience.

Kind regards
